

Curriculum: Social Studies      Term 1 Duration 3 weeks Strand:                      Level 3      Year 5		Vocabulary		Resources
Achievement Objectives: We belong to groups for particular reasons When we belong to groups we have special role rights and responsibilities. Our cultural practices reflect and express our customs, traditions and values.		Subject The Pinehill Way friends rules bully                      routines I-Statement Share care walk the talk	Academic rights, responsibilities, respect, Y-Chart, Brainstorm, Keynote Save = Apple s Print = Apple p font, colour, inspector Student Disk, transition,	
Learning Outcomes I am learning to ...	Learning Experiences		Key Competencies / Thinking Tools	ICT Integration
			<p><b>Risk takers</b> - make good choices, have a go</p> <p><b>Effective communicators</b> - recognise and respect different points of view</p> <p><b>Socially aware and responsible</b>- take responsibility for thoughts, actions and the consequences of these actions.</p>	<p>Create a Keynote presentation of themselves. Model how to add a page, insert photos, use the shift/apple/4 function tool to take a photo then drag onto the required spot - resize if needed. Use the inspector to change each transition to 10 seconds and to have a different effect for each page. Extra for experts can add music to their presentation</p> <p>Present to the class upon completion</p>
WALT talk about ourselves and know essential details - address, phone numbers and date of birth	<p>Use keynote to refresh our memories from last year. Different pages will include name with a photo, age, date of birth, address, phone number, family tree, traditional events the family celebrates.</p> <p>In groups discuss occasions when you'll need to use the Pinehill Way. Include playground, classroom, support groups, team practises, after school care, school trips etc. Create a short animated movie based on the Legomation from Simon &amp; Rebecca Green's Integrating ICT book using Clay to create it. Pass on the final product to TV station to prodcast their Pinehill Way movie.</p> <p>Create a wall display which focuses on The Pinehill Way. Children to brainstorm ideas of how this might look, what it will include and what medium to present it in.</p> <p>Discuss 'walk the talk' and what it means. How we will maintain this ethos throughout the year.</p>		<p><b>Success Criteria</b> I can create a Keynote presentation and use the inspector confidently</p> <p>I can look after my own things</p> <p>I 'walk the talk' and can explain what this means</p>	<p>Create a short animated movie based on the Legomation from Simon &amp; Rebecca Green's Integrating ICT book using Clay/or Lego to create it. Pass on the final product to TV station to prodcast their Pinehill Way movie.</p>
